

DET NORSKE VERITAS

EC –CERTIFICATE OF CONFORMITY

1162-CPD-0117

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Panic exit devices
Type A – push bar
Family
EURO-SMART
EURO-SMART INOX

Placed on the market by
Security Products Srl
Via Modena, n 68
40017 – San Giovanni in Persiceto (BO)
ITALY

is submitted by the manufacturer to a factory production control *and to the further testing of samples taken at the factory in accordance with a prescribed test plan* and that the notified body – **Det Norske Veritas Certification AB** has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in the Annex ZA of the standard:

EN 1125/A1/AC:2002

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on October 10, 2003 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
